

What is the work of Mary, of Marists?

Marists are called to do the work of Mary in today's world

Marists are called to be the presence of Mary in a world torn apart by war terrorism poverty injustice

Marists are called to read the signs of the times in the light of the Gospel

Marists are called to reach out to those who are marginalised in our church and in society

Marists are called to be a Marian presence within the church witnessing to the compassion and mercy of God
